

April 2020

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

We want to wish Happy Easter to all of our friends and partners even during this uncertain and difficult time in which all of us face, personally and worldwide. **The Lord is on the throne, He is God, He never changes, He is the same** as it says in Malachi 3:6. This is our hope in this changing world; **we can serve an unchanging God**. From the bottom of our hearts we want to say thank you once again for your continued prayers and support and to come to you with good news of what the Lord has done during our recent travels.

We had the honor of speaking in the gypsy church in Tecuci, Romania where God is doing great and mighty things among the people.

Even among the "least of these" God is working in a mighty and wonderful way. May the Lord be glorified and praised for all that is taking place there.

Traveling from Tecuci we had another opportunity to visit Bender, Transnistria where the Lord is doing wonderful things as well in an area where they are still under Russian influence.

Ministering at the church of Pastor Anatol (Home of Hope) many came to repentance as I spoke about the coming of our Lord Jesus Christ. The title of the message shared was "Are you ready for the coming of the Lord?" even before we heard about the pandemic. The Lord graciously stretched out His hand with healing and deliverance. The church has been divided into seven groups as they prepare to hold house and underground churches to be able to function. We thank God that we still have the Home of Hope there where

the children are all growing, healthy and happy. All of this is because of you, our dear friends and partners, where the fruit of our co-laborers is evident

and ongoing. We give all the glory and honor to the Lord Jesus Christ as we all shelter in the shadow of His wings.

On the same trip, it was a great blessing to be able to visit the bible school in Corjeuti, Moldova. What an honor to see the fruit of those who have invested into the bible school and the young people who are being raised up for the work of the ministry.

We praise the Lord for all of you who have invested into this vital project and to see the fruit of the ministry ongoing. Please continue to pray for them and their country, the Republic of Moldova during this time.

We also want to thank all of our friends and partners who have blessed and continue to bless the Jewish people in Moldova. It has been a great privilege to share once again the

Good News to God's people and to be a part of His people being touched. Please continue to pray for the peace of Jerusalem, to bless the nation of Israel in spite of all the things that are going on. As children of God, we should continue to be a blessing to them. We greatly appreciate our partners who have sent blessings to help them in their meeting places and to feed and take care of the medical needs of some of the Jewish people who have not made it back to Israel. Please continue to pray for these precious people of God.

(L to R) Ghiorgi, Cristina, Mirela Barbu, Maria Popa, Ilie Popa, George Barbu (in front)

During our recent travels we had the privilege to have brother Ilie and sister Maria Popa, brother George and sister Mirela Barbu from the United States along with us on the mission field. We are so thankful and appreciative for Brother Ilie coming along side us as he has been very

influential in the ministry in a significant way.

We were able to travel to Puhoi, Moldova where we visited Pastor Ion and his wife Tania. We arrived there during the time they were holding the feeding program (below) for the local children. ***It was so very special to witness the great joy of serving those who are in need.***

While there we visited a sister named Nina who has 5 children who also are served by the feeding program (1 pictured left with white hat). She had started to come to the church services there with Pastor Ion Leca when her husband had left her for another woman. She is now going through a difficult time and living in difficult conditions. Please pray along with us that the Lord would provide for us to purchase her a stove and a washing machine. Please pray that we would be able to meet some of her needs as she was working by herself but now has been sent home because of the virus outbreak. ***Just as so many around the world who had little to begin with are now facing even greater hardships because they cannot work we pray that we can continue to make a difference.***

It was a great blessing to visit the summer camp project (left and top right) in the northern part of Moldova in the region

Bishop Rubin oversees along with other leaders to see how the work is progressing. We thank God it has been an honor to witness the ongoing project and bring you some updated pictures of how it is going. Even during times of great difficulty we see the Lord Jesus Christ providing for these ongoing projects as our friends and partners follow the leading of the Holy Spirit and continue to give. We look forward to the day we can hold the first summer camp at this facility.

We had the honor of visiting the church in Trinca, Moldova (above) where our dear brother John, who is paralyzed, and his wife Natalia (Tania) live and attend there. It is always a joy to visit them and this time we had the two couples from the United States with us. Even in their poverty they had prepared such a special meal for us. For us, it was a great blessing and honor to minister and visit with them.

It is with great sadness that we share with you the passing of my dear mother who is now enjoying her great reward in the presence of our Lord and Savior Jesus Christ. Many of you had the opportunity to visit with her, some on more than one occasion and we will all have wonderful memories of her in the village where she was happiest.

We appreciate that all of you would continue to pray for all the needs of these precious people. And even during this current virus outbreak, one of the greatest viruses is still called "sin". ***The verse in Romans chapter 6, "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord" is the reason we bring hope to the people even in the most difficult and uncertain times.*** We thank God for all of you who pray and stay along side us as we continue to pray for all you. May the Lord Jesus Christ sustain us, provide for all our needs and unite us all in an even greater way.

Love in Christ,

***Ghiorgi, Cristina, Daniel and Timotei Cazacu***
