

February 2021

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

Dear brothers and sisters we thank God for the new year, which the Lord has blessed and allowed us to step into. What a great opportunity for all of us who remain alive! **Let's celebrate the gift of life through all of us and may He bless us in this new year to be used for the glory of God.** As we are here on earth, may the Lord help us to remain faithful and fruitful for His Glory. Because of all of you, dear friends, we are so very thankful that we are able to continue to do the things which we are sharing.

By the Grace of God, the Lord opened an opportunity for us to be in the Republic of Moldova in the end of 2020 and into the beginning of 2021. It has been a blessing to be able to visit the widows and churches, to be an encouragement in spite of the pandemic. **We were able to come together**

**knowing the Lord is with us!** He is faithful and will take care of us in spite of all that is taking place. Like never before we have the opportunity to see the hunger of brothers for the Word of God and the desire of fellowship. These circumstances that have kept us from seeing each other is one of the most painful. We are created to be the body of Christ and each part of the body must be connected. We pray that the Lord would give us all divine relationships and connections, in which, we are very thankful that God is always faithful to do.

One of the greatest blessings was to be in the village of Lezareni, (above) where brothers and sisters came from different places to worship the Lord. It was very painful and difficult to see that they were kept away from physically being together all this time and now as we visited it was such a great joy of coming together to worship and glorify Him and to bring glory and honor to the Lord Jesus Christ. God was so merciful reaching out and touching people's hearts and they were so encouraged as we see the soon coming of His return. We encouraged them to continue to be faithful, live a holy life and to be in preparation for any sufferings that may come in this world. Please keep praying for this growing congregation as they have many needs. There was such a great desire to hear God's Word and so many coming that there was not enough room for them as they had to stand in the bathrooms, kitchen area and hallways. **We thank God for this opportunity because people are hungry for the Word of God.** The power of God was demonstrated and the Holy Spirit was working in a wonderful way in the hearts of the people. Please keep them in your prayers as these challenging times continue.

With the Lord's help we were able to travel to the town of Sarate Veche (above) where our national missionary, brother Grigore, worked alongside GMI to build a church. It has been such a joy and inspiration to see people from that area coming to see what the Lord is doing and reaching the lost. It was a great blessing to see them coming together, worshipping Jesus and sharing their testimonies. What a wonderful thing the Lord is doing among these precious people and the villages surrounding the church. They were willing to come from everywhere as the Lord touched them in specific ways. Brother Grigore's sister shared her testimony of how she came to the Lord and how she had been involved in folk music. She gave her heart to the Lord as we were holding a house meeting and now, she is not only **not** singing for the world but now **she is singing unto Lord**. She is one of the most wonderful and happy ladies, saved and going to heaven because of the Grace of God. We are so very thankful for partners such as you helping us to make a difference in so many lives. Please continue to pray for them and their village that the Lord would continue to bless them.

older, no one visits like they used to so it is always a special blessing to them when we go to visit. Sister Nina continues to need help and we thank the Lord for partners who were so sensitive in sending a gift for them at this time of the year to meet their personal needs. We greatly appreciate it and are so very thankful.

You can see in the picture above that we were able to take friends with us on this visit that we are discipling on the work of the ministry. It is one of the greatest blessings to take others to do the same thing that we are doing on the mission field. It's not only by words in the classroom but going to be with the people in their homes. We are so very thankful for brother Mihai and sister Angela who went along with us. They come from an interesting background, being saved and now are being disciplined for the work of the Lord. Thank you so very much for your continued prayers and support for the needs of these widows. **Any amount that the Lord lays on your hearts for the widows is greatly appreciated.**

It is always a blessing to visit sister Nina (above), who is paralyzed and her mother Maria (left) who is very close to going home to be with the Lord. When you are

We continue to pray for all of you in the states and around the world who continue to suffer from the effects of the pandemic, with the loss of businesses, loved ones and health. May the Lord bless you all abundantly through these challenging times and that He would help us all as we remain here on earth to continue to be faithful and fruitful for His glory. We do not know what the future will bring in the physical world but we do know who holds our futures! As it says in Jeremiah 29:11, ***"For I know the thoughts that I think toward you, says the Lord, thoughts of peace and not of evil, to give you a future and a hope."*** More than ever before, let us press on towards the promises of the Lord Jesus Christ, that we will hear ***"Well done, good and faithful servant"***.

Love and prayers in Christ,

**Ghiorghi, Cristina, Daniel and Timotei Cazacu**
