

February 2020

Greetings in the Name of the Lord Jesus Christ from Eastern Europe:

What a great honor and blessing to again share with you the good things that the Lord is doing in this part of the world. We appreciate your prayers on the behalf of my health as I am still recovering and facing a few difficulties, but the Lord is faithful and good. By His stripes I am healed! We appreciate all your prayers and you continuing to lift us up before the Lord that He would help us to carry on with the work of the ministry in Eastern Europe.

We are excited to share with you what the Lord Jesus Christ is doing among the gypsy communities in which we minister. It has been very delightful being involved with them for the last two decades especially in Toflea, Romania for the last 10 years. **What a blessing to see this community growing because of the gypsy church planting movement.**

One of the highlights of the year is the family conference we recently attended where several hundred families came together to hear how we can be a better family unit in a decaying world. We are very thankful for this great blessing to see and realize the importance the roles of the mother and father play in the family and the blessing of seeing their family transformed by the power of the Holy Spirit. Please pray for the wonderful movement happening among the gypsies throughout Europe where God is doing great things and reaching the

“least of these” people who are the most neglected and discriminated against. It is a great honor and privilege to see how the Lord has transformed them and continue to be a part of this network of precious men and women of God who dearly love Jesus.

It is with great joy that we share with you what the Lord is doing in the recently planted church of Lapusna, Republic of Moldova (above and left)

where many people start to see the impact that is being made in the community. We appreciate your continued prayers for this church that the Lord would help them to further reach out to others as they seek to plant a church in yet another unreached community. **We see the joy of the older saints being involved in serving others along with the younger generation** and we pray that together we can encourage others in making a difference in the lives of those lost and hurting for the Glory of God.

We were blessed to travel to the Republic of Moldova and visit the widows along with a praise and worship team from Iasi. It was a great honor to have the opportunity to visit with sister Nina and her mother Maria, singing and praying along with them.

What a joyful experience for sister Nina who has been paralyzed and bed ridden for the last 12 years. Their house was warm because of our dear friends and partners who provided for and built their new stove in the past and the wood each winter. We thank God for the friends who blessed us to give them a special gift on this visit and we ask that you continue to pray for sister Nina as she has the ongoing need of adult incontinence pads which are so very expensive in Eastern Europe. They are so very thankful to all of you who continue to be a blessing to them and providing for their ongoing needs as they pray continuously for our dear partners and those they may never meet. **We are so very thankful that you continue to be a part of this vital ministry to the widows who are in great need on a monthly basis.**

Traveling in the northern part of the Republic of Moldova we are so very honored to share with you the fruit of your investments in the bible school (above) where a new generation of young men are being trained for the work of the ministry. We thank

God for the excellent team of pastors and missionaries in Corjeuti that work with this younger generation. As the Lord says in Luke 10:2, **“...the harvest is great, but the laborers are few; therefore pray the Lord of the harvest to send out laborers into His harvest.”** We thank God that this is all taking place and to be able to share with these precious young people alongside brother Sasha (bottom left picture on far left), who is the dean of the bible school and Pastor Rubin (bottom left on right next to Ghiorgghi) who is the bishop overseer of many churches in the northern part of the Republic of Moldova. It has been a wonderful opportunity of fellowship and partnership for so many years because of your prayer and support which helps us to continue to invest in their lives. While there, we shared with the young people the importance of the call of God on their lives and to make sure of their calling, that they are set apart for the Glory of the Lord and to be used according to His will.

Once again, we thank you and ask that you please pray for us as we continue to provide for the many great and major needs such as bibles. **As we travel and minister, missionaries and pastors always ask for a supply of bibles (\$8 each)** as well as those we have ministered to along the way. We are so thankful and privileged that we are able to share the Good News of the Gospel and leave behind the Word of God. Even after we are gone, God’s Word remains and they can still use it for His Glory.

We are so very thankful to all of you for your continued love, prayer and partnership. Please pray that we may all be more faithful and fruitful for the Glory of the Lord. May God bless you and your families abundantly!

Love in Christ,

**Ghiorgghi, Cristina, Daniel and Timotei Cazacu**
